

## Career in Investment Banking & Asset Management 19 October 2012 at the Japan Center Frankfurt

### Gain pre-selected top students for internships and starting positions

“e-fellows.net Career in Investment Banking & Asset Management“ enables selected companies to meet and recruit German top students who are interested in an internship or employment in the investment banking and asset management sectors.

It is being organized by e-fellows.net, the biggest career network for top students in Germany. e-fellows.net supports more than 24,000 scholars who are ranked among the top 10% of their class. 8,000 scholarship holders are students of economics.

#### Target group:

- **Attendees:** about 60 pre-selected students interested in finance including undergraduate students interested in **internships** and students at the end of their studies aiming for **direct entries**
- **Application process:** e-fellows.net gathers applications from the e-fellows.net pool (top 10% in Germany) or external sources with equivalent profile.

#### Agenda:

- **Opening Lecture** (10.30 – 11.15)
- **Career Lounge** (11.30 – 14.00)
- **Interviews**, 30 minutes each (11.30 – 18.00)

The number of companies participating in the event is limited to 5.

#### Basic package includes:

- **Promotional activities** to reach your target group, **pre-selection** of about 60 candidates
- About **60 CVs** from which you can select **up to 20 candidates** for an **interview** (30 minutes each). You can choose how many candidates you would like to interview for **internships** and how many for **direct entries**. It is also possible to book more interviews (see below).
- **Organisation** of the event (including catering), **evaluation** of candidate feedback

#### 10 additional interviews:

- Booking is possible after the pre-selection of candidates
