

e-fellows.net MBA Day **3 March 2012 in Munich and 6 October 2012 in Frankfurt**

Recruit excellent MBA candidates for your business school

The e-fellows.net MBA Day enables an exclusive group of renowned business schools to present their MBA programs to outstanding MBA candidates. The event is organized by e-fellows.net, the biggest career network for top students and young professionals in Germany. More than 110,000 students and young professionals are part of the e-fellows.net network: 43,000 students (52% of which belong to the best 10% of their class) and almost 80,000 young professionals (20,000 of which are pre-selected). e-fellows.net has been founded by McKinsey & Company, Deutsche Telekom and the publishing house Verlagsgruppe Georg von Holtzbrinck.

Key facts *(subject to alterations)*

- **Time/Location Munich:** Saturday, 3 March 2012, 12.30 to 17.00, Conference Center Munich
