

## e-fellows.net „Perspektive Promotion 2010“ (PhD Day) November 19, 2010 in Munich

### Recruit pre-selected top students for PhD or other doctoral programs

At the event “e-fellows.net Perspektive Promotion 2010” you can recruit German top students interested in a PhD or other doctoral program in the fields of **business & economics** and targeting a career in research. It is being organized by e-fellows.net, the biggest career network for top students in Germany.

e-fellows.net supports more than 19,000 undergraduate and graduate students through a scholarship program. These students are ranked among the top 10 %. About 6,000 of them are studying business. e-fellows.net is owned by McKinsey & Company, Deutsche Telekom and the publishing house Verlagsgruppe Georg von Holtzbrinck (DIE ZEIT, Macmillan, Nature).

### Key facts

- **Time:** Friday, 19 November 2010, 12.30 to 16.30
- **Location:** Conference Center Munich
- **Participating students:** pre-selected students finishing their studies within the next two years who are interested in PhD and other doctoral programs and who target a career in science
