

Win excellent students for your university or college

## Academic profile on [www.e-fellows.net](http://www.e-fellows.net)

### Your advantages:

- ▶ High-value target group: 210,000 students and young professionals, among them 81,000 current and former e-fellows.net scholarship holders (the top 10 percent of German students)
- ▶ Extensive reach: 475.000 visits per month on our website, more than 120,000 subscriptions to our newsletters
- ▶ Minimal effort: Your profile is written by experienced editors

### Your advantages in detail

#### Generating attention for your university or program

An academic profile on [www.e-fellows.net](http://www.e-fellows.net) enhances your reputation amongst a very attractive target group; the best students and young professionals in Germany. As the profile is written in accordance with current SEO standards, you will also improve your search engine exposure.

#### Continuous presence and the highlighting of key dates

We regularly advertise your profile in our newsletters for scholarship holders, alumni and members of e-fellows.net and point to application deadlines and events at dates specified by you.

#### Information tailored to your target group

Your profile does not only contain all important facts about your university or study program, it also suits the needs and interests of your target group. To give the audience an impression of what is on offer at your university, it is also possible to include a picture or video gallery.

#### Reliable service

We coordinate the content of your profile with you and write it based on your data. Updates and additions are possible at any given time.

### Conditions

- ▶ Price: 1,500 Euro p. a. (basic profile) / 3,000 Euro p.a. (premium profile) (VAT is not included)
- ▶ Unlimited duration, termination is possible every year with a three months' notice
